## Description

### 4-Disc Program: Think Slim, Be Slim

- No exercises
- No drugs
- No special diets

Through the power of hypnosis, you can overcome cravings, suppress your desire for unhealthy foods and even increase your metabolism.

***Think Slim, Be Slim* has already helped over 100,000 people** to lose as much weight as they wanted.

50 years of mind reprogramming and first-hand experience in weight control. Listen to the program for 21 consecutive days for:

- Weight loss!
- Relaxation
- Body Positivity

Never discount the effects and power of your subconscious. Every aspect of your

existence is passively directed by your subconscious computer: your real hidden power!

"What you think, will be what you create." – Martin St James

The SRC system will trigger the release of the hormones responsible for creating 'homeostasis' (balance) in the body. These stimulated hormones will help

- Burn Fat
- Create lean muscle mass
- Increase your metabolic rate

The SRC system will help you create the body image you desire. Begin your weight-loss journey today with this 4-CD set from the greatest hypnotist of our time.
